

ENDLESS DRIVING FUN!

SMART SIMPLICITY
SWISS MADE

MORE DRIVING FUN FOR EVERYONE!

Here comes your digital paddock!

Welcome to the digital paddock of Race-Centers.com – a vibrant meeting place for motorsport enthusiasts who live their passion for speed and technology in a unique community!

Here, virtual race tracks merge with real team spirit, while like-minded people come together to refine their driving skills, motivate each other and share unforgettable impressions. In our digital paddock you will not only experience thrilling races and exciting competitions, but also the opportunity to enjoy and exchange ideas with other sim racing fans.

Let yourself be infected by the energy and enthusiasm and become part of a movement that is redefining the future of motorsport – full of innovation, passion and unforgettable moments!

OUR PARTNERSHIP

RACE-CENTERS.COM offers all our partners a turn-key entertainment franchise.

- Introduce new race centers, cultivate your community, promote races and championships!
- The cooperation with the partners starts with the conclusion of the franchise / license agreement.
- This entitles the licensee to extensive marketing services (e.g. homepage, booking, races, championships, setups), continuous software and hardware updates, annual maintenance, support and integration into official championships.
